## Austin-Healey 3000 – ACK 376A

## £125,000

# DESCRIPTION

A very competitive Austin-Healey 3000, newly built in 2019 with no expensive spared by Denis Welch Motorsport from an ex-hill climb & sprint car.

The car has enjoyed significant success over the past few years piloted by Mark Holme, achieving over 37 podiums including 26 wins covering Masters Gent Drivers, Equipe Pre '63, MRL Pre '63 GT and GT&SCC.

The car has current FIA HTP valid until 31st December 2029 and UK V5c road registration.

This is a fantastic opportunity to acquire a front running and fully developed big Healey that has benefitted from a complete rebuild by the top Healey specialist and has been meticulously maintained with no expense spared.
